**2012 Kuskokwim Bay Salmon Fishery News Release 14
Districts 5 to Open to Commercial Salmon Fishing**

This is an announcement from the Alaska Department of Fish and Game at Bethel for commercial salmon fishermen in the Kuskokwim Area.

District 5, Goodnews Bay

District 5, Goodnews Bay, will open to commercial salmon fishing for 12 hours from 9:00 a.m. until 9:00 p.m. on Thursday, August 23, 2012.

Preliminary harvest reports from the August 20 opening indicate a harvest of 3,373 coho; 99 sockeye; 8 chum; and 2 Chinook salmon from 28 permits. The coho salmon harvest and harvest rate were above average.

In District 5 subsistence salmon fishing will be closed 8 hours before, during, and 4 hours after each commercial fishing period.

The Department will be closely monitoring commercial fishing periods to assess fishery performance and anticipates announcing additional commercial fishing periods as warranted. Further announcements will be made from the Bethel Fish and Game office, on the state web site (<http://www.adfg.alaska.gov/index.cfm?adfg=cfnews.main>), and local radio stations. News releases will be faxed to area villages and local fish processing companies.
